

Choreographer

The Choreographer works as part of the workshop team to create and teach youth the movements and routines that will help unfold the performance story through dance. This position requires a detail oriented team player with strong organization and interpersonal skills. An ability to work with youth of varying dance abilities is desired. Formal dance training and choreography experience preferred. Musical theatre experience is an asset.

Duties and Responsibilities

- Attend all production meetings
- Collaborate with Artistic Director to gain a full understanding of the Artistic Director's vision of the show
- Design dance steps and routines to fit the music
- Coordinate with the Artistic Director to audition and cast dance roles
- Record and upload dance movements to CAP Facebook or Google Docs to help youth learn required dance movements
- Explain and teach routines and correct dance techniques to youth
- Attend all auditions and rehearsals
- Perform tasks as assigned by Artistic Director
